Introduction

In this chapter you introduce your main concern or issue of your final report. You also briefly mention your stay abroad, institution, country and month/year.

Your main concern or issue comprises for example

- The main issues of intercultural communication (in your opinion, reasons) and the conjunction between these issues and your experiences
- The main experiences you gathered during the CCC-Programme
- The main experiences you had in the country you visited
- Other interesting issues concerning `Cross-Cultural Competences´ in general, concerning the options via Erasmus, etc.

You may also mention

- Your reasons for your participation in the CCC-Programme
- Constraints, restrictions or obstacles (…)
